Bro. J. L. Lyon read the report upon Mississippi College which was discussed and adopted as follows.

Dear Brethren:—It is indeed gratifying to know that this great and noble Institution of learning, which was founded at Clinton Hinds county Miss., some 38 years ago. Since that

time great works have been done through this grand Institution for the country and especially for our Baptist people. Brethren this is our College, its influence for good is not surpassed by any institution. The College is able to make an excellent showing. Number of students last year 230, an increase of 10 over the year preceding; out of this number there were 36 Ministerial students.

Progress is being made financially as well as in number of students, as you will here see:

RECEIPTS.

From tuition.....	\$ 5,291.05
" Incidentals and Room Rents.....	688.30
" Contributions.....	2,763.55
TOTAL.....	\$8,742.90.

DISBURSEMENTS.

Paid on deficit last year.....	\$ 385.00
" " Salaries of Faculty.....	6,900.00
" " Incidentals and repairs.....	1,380.90
TOTAL.....	\$ 8,665.90
Bal. in Treasury.....	\$ 77.00

Now Brethren you will see that this is a fine showing. It is the desire of the Faculty and friends to make this an Institution unsurpassed; and to this end they expect to elect a Teacher for the class of natural science, his room is to be fitted up with appliances necessary for successful teaching and some necessary repairing, the estimated expenses of which is from \$1500 to \$1800. This additional expense must be met. Let the great watchword be 'forward'. This institution must have our prayers and patronage. Hunt out the boys and young men in our lounds and send them to Mississippi College, for the noble President of this College has well said, "Give us your boys as an endowment; it is what we want."

W. S. LANFORD, Chm'n.

(Since the Association adjourned \$1.30 for Minutes was handed in by Rocky Mount Church. CLERK.)

The Committee on Publications submitted the following report which was adopted:

REPORT.

We your Committee on Publications would respectfully report: That our Missionary and Colportage has the very soundest and well selected stock of Baptist Literature, which we earnestly recommend to all, also the Baptist *Record* should be in every family, it tells what our people are doing at home and abroad. The *Record*, is in fact a good educator. There are other Publications worthy of our patronage. Such as *Kind Words*, published at Atlanta Ga., the *Tennessee Baptist*, at Memphis Tenn; the *Foreign Mission Journal*, at Richmond Va. and the *American Baptist Publication Society*, at Philadelphia Penn.

Respt submitted,
W. G. Moorhead, Chm'n.

The Committee on Sabbath Schools made the following report, which after being amended was adopted as follows:

REPORT.

From the reading of the letters, we find but very few Sabbath schools reported in our bounds, this ought not to be. In the opinion of your Committee, a well conducted Sabbath school should be in every Church, which we think would prove to be one of the greatest auxiliaries to general Church work and the advancement of the Redeemers Kingdom. We think the great need of our people is a more thorough and systematic Organization in the Sabbath schoolwork. We therefore recommend to this body, that a Committee of five be appointed, whose duty it shall be to consider the advisability of the formation of a Sabbath school convention in the bounds of this Association, and that a temporary organization be effected during the sitting of this body. The above was amended by adding the following:

RESOLVED. That should the said committee deem it practicable and expedient for this Association to recommend the formation of a Sabbath school convention, that the said Committee also recommend the names of Brethren for President and Vice-President and Secretary, of said Convention and also to recommend the time and place for the first annual meeting of the Convention.

Respt. submitted,

J. A. KILLINGSWORTH Chm'n.

In pursuance of the Above the Moderator appointed Brethren J. A. Killingsworth, Lee Linder, G. W. Riley, Sister Preddy, and Sister Moorhead as the special committee.

The following preamble and resolution was adopted:

Whereas, A prominent Minister of another denomination did on a certain Sabbath day, recently state publicly, that he hoped his congregation had not fallen as low as the Baptist, stating that the widow of a prominent Baptist Minister was in the Poor House in Calhoun county.

THEREFORE, RESOLVED:—That Brethren T. H. Smith, L. W. Harrelson and J. A. Killingsworth be appointed a committee to investigate said report and publish the result.

Preaching at 11 o'clock, having been by motion dispensed with. On motion the Association adjourned for refreshments.
Prayer by Eld. H. L. Finley.

AFTERNOON SESSION.

The Association met and was called to order. On motion speeches were limited to five minutes. Eld. G. W. Riley read the report on Temperance, which was adopted as follows:

REPORT ON TEMPERANCE.

The criminality of the liquor traffic is no longer debatable ground. We cannot shut out of view, the fact within the knowledge of all that the public health, public morals and public safety may be endangered by the use of intoxicating drinks, nor the fact that the idleness, disorder, pauperism and crime, existing in the country are at least, in some degree traceable to this evil. It desolates the home, desecrates the ballot and makes the wail of the worse than widow and hungry children ascend to Heaven.

The question that now concerns the Christian world, is how can we destroy the liquor traffic?

Your Committee thinks we must ourselves abstain from the dram drinking habit. There is no precept like example and we would further recommend, that members who refuse to abstain from the use of intoxicating liquors as a beverage, be excluded from our fellowship. We must take a decided stand against this great evil.

Respectfully submitted,

G. W. RILEY, Ch'mn.

The special committee on Ministerial Support, submitted the following report which was adopted:

REPORT.

"It is our firm belief that there is no class of men among us, who are so much neglected and unjustly treated as our Preachers. Because there is no other class of men, so poorly paid for their amount of time and talent expended in their work as that of the Ministry. Reason teaches us that a man ought to be paid for his time, for time is money, and the time of a Minister is worth as much to him and his family as that of any other calling.

We think Paul teaches this in the following scriptures: "Thou shalt not muzzle the ox that treadeth out the corn." "The laborer is worthy of his hire." "I robbed other churches taking wages of them that I might do you service." We think

these scriptures sufficient to prove to any Christian, that it is the duty of the churches to support their Preachers; and when we say support, we mean just what we say. Not that if we have anything to spare we should give it to the preacher, but that it is a duty, just as much as to pay other accounts.

And we candidly believe, that until our churches are educated up to the point, to feel that the support of the Ministry is a Christian duty, and not charity; so long the church will drag in church work.

It is not the business of the Ministry to serve tables but to preach the Gospel. There is one thought that we would not pass over; and that is this. The Preachers have not done their duty to themselves, their families, or their churches.

- 1st. They have not demanded their own.
- 2nd. In failing to do so, they have neglected their families.
- 3rd. They have not instructed the churches in the way of duty; perhaps for fear of giving offense, in consideration of which, Preacher, family and church have all suffered.

Respectfully submitted,

W. S. LANFORD, Chairman.

The committee on Education submitted the following report, which was adopted:

REPORT.

TO EDUCATE THE YOUNG IS OUR DUTY. At the present time there seems to be a greater effort to educate than ever before. Our people are learning their duty, and are doing it. A practical education is necessary, and the people are realizing more than ever before, its great advantage to the young and growing generation. We think an education, if no more, should be given to the child by its parents. It fits and qualifies him for useful positions in society, and enables them to understand and teach God's word. God has given us intellect and expects us to improve it. Educate means to know. We therefore, believe that parents should supply their children with such substantial literature that may learn of themselves, what their parents can not give them. Your committee especially recommends Ministerial Education. That it is the duty of this Association to assist in this work. And that if there is a worthy young man in our midst who feels it his duty to preach the gospel, and is not able to educate himself, to help him and encourage him in his work.

Respectfully submitted,

L. J. BOX, Chairman.

REPORT.

Report on Foreign Missions adopted as follows:

Dear Brethren, it is with profound gratitude that we can report an excess in favor of Foreign Missions from churches in our State over that of last year, but we cannot say so much from our Sister State, where there has been a falling off from last year, of about \$140.00. Amount collected last year, \$8,780.00; this year, \$8,640.00; diminution, \$140.00.

And while it is true our Foreign Mission Board is out of debt, at the same time it is also true that the necessities, of our Mission Stations have not been met, and in failing to meet these necessities, the progress of this glorious work has been hindered, yea! retarded. This should not be. Let us wake up to the importance of our duties as true Missionary Baptists, and to this end, we especially recommend that our Pastors preach more to their churches on this grand Missionary work. And let the gospel be borne equally in all the workings pertaining to the cause of our blessed Savior. Respectfully submitted,

L. W. PREDDY, Chairman.

The Special Committee having under consideration the propriety of forming a Sabbath School Convention in our bounds reported the following, which was adopted:

REPORT.

We your Special Committee to whom was referred the report on the formation of a Sabbath School Convention, would respectfully recommend the formation of said Convention in our bounds. We also, recommend the following Brethren for officers of the same, to-wit: For President, J. A. Killingsworth, for Vice President, L. W. Preddy, and for Secretary, J. L. Lyon. We also recommend Mt. Comfort church as the place, and Saturday before the second fifth Sabbath in 1889, as the time for our first meeting. We farther recommend that our Pastors and churches use their best efforts to organize a Sabbath School in every church between this and our first meeting.

Respectfully submitted,

LEE LINDER, Chairman.
